A COMMUNICATION TO PITTSFIELD

J. F. Drake
PARK PLAZA APARTMENTS
128 North Craig Street
Pittsburgh 13, Pa.

January 31, 1964

Board of Selectmen
Pittsfield, New Hampshire

Dear Sirs:

I am pleased to acknowledge the receipt of your letter of January 15th, stating that the Pittsfield Band is being reorganized and will be available to give concerts this coming summer. Therefore, in accordance with the promise contained in my letter to you of December 20, 1963, I am sending to the Town Treasurer the sum of Five hundred dollars, ($500.00), to indicate my continued interest in the concerts.

As in previous years, I make this gift in memory of my late father and mother, Mr. and Mrs. Nathaniel Seavey Drake, who so much enjoyed the concerts.

Very sincerely yours,

J. FRANK DRAKE.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Pittsfield on Tuesday, the tenth day of March, next at ten of the clock in the forenoon to act upon the following subjects:

(The polls for balloting shall open at ten of the clock in the forenoon and shall not close before six-thirty of the clock in the afternoon. Unless otherwise voted by said meeting action on Articles of this warrant not taken by means of a printed ballot shall start at eight of the clock in the evening).

1. To choose all necessary Town Officers for the year next ensuing.

2. To choose Delegates to the Constitutional Convention.

3. To vote on the question "Shall sweepstakes tickets be sold in this town?"

4. To vote on the question "Shall the Town of Pittsfield continue to maintain its existing Municipal Court so long as its present judge remains in office?"

(Action on the preceding four articles to be taken by voting on printed ballots)

5. To see if the Town will vote to authorize the Selectmen to purchase a new tractor loader for the use of the highway department, using the presently owned Payloader as partial payment and raise and appropriate the sum of Eighty Five Hundred Dollars ($8,500.) for this purpose. Recommended by Budget Committee.

6. If favorable action is taken on Article 5, to see if the Town will vote to withdraw Thirty Five Hundred Dollars ($3,500.) from the Capital Reserve Fund for the purchase of road building equipment to be used as a portion of the $8,500. so raised and appropriated. (Recommended by Budget Committee.)

7. To see if the Town will vote to authorize the Selectmen, with the advice and recommendation of the Board of Firewards, to purchase a Class A, seven hundred and fifty gallon per minute combination fire pumper and raise and appropriate the sum of Sixteen Thousand, Five Hundred Dollars ($16,500.) for this purpose. Recommended by Budget Committee)

8. If favorable action is taken on Article 7, to see if the Town will vote to withdraw Fifteen Hundred Dollars ($1,500.) from the Capital Reserve Fund for the purchase of fire fighting equipment, to be used as part of the $16,500. so raised and appropriated. (Recommended by Budget Committee)

9. To see if the Town will authorize the issuance of serial bonds or notes in the amount not exceeding Twenty Thousand Dollars ($20,000.) for the purpose of financing the purchase of a fire pumper and tractor loader, said bonds to be issued under authority of and in accordance with, the provisions of Chapter 33 of the New Hampshire Revised Statutes Annotated and any amendments thereto and revisions thereof, and to authorize the Selectmen to determine the rate of interest thereon, the time and place of payment and do whatever may be necessary to accomplish the issuance thereof.

10. To see if the Town will vote to authorize the Selectmen to instal drainage, rebuild and pave Broadway Extension from the junction of Cram Avenue to the junction of Depot and Carroll Sts. and raise and appropriate the sum of Forty Five Hundred Dollars ($4,500.) for this purpose. (Recommended by Budget Committee)

11. To see if the Town will vote to raise and appropriate the sum of Eleven Hundred and Fifty Dollars ($1,150) to be paid to Concord Hospital as an apportionment of the anticipated operating deficit of said hospital. (Without Recommendation of the Budget Committee)

12. To see if the Town will vote to raise the sums of money recommended by the Budget Committee for Town Expenses for the year ensuing and make appropriations of the same.

13. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plots showing new streets or the widening thereof, or parks, and upon adoption of this article it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Merrimack, a certificate or

note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes annotated, 1955.

14. To see if the Town will vote to close, subject to gates and bars, approximately 6,800 ft. of Range Road, being that portion extending from the southeast side of Kelley Brook to the Loudon Town line.

15. To see if the Town will vote to close, subject to gates and bars, approximately 2,400 ft. of Green Road, being that portion extending from the intersection with Colony Road to the Loudon Town line.

16. To see if the Town will vote to close, subject to gates and bars, approximately 6,800 ft. of Colony Road, being that portion extending from the intersection with Upper City Road to the intersection with Ring Road.

17. To see if the Town will vote to close, subject to gates and bars, the entire length of the road extending approximately 5,200 ft. on the northerly side of Shinglemill Brook from Clough Road toward Wild Goose Pond (#91 on the State inventory).

18. To see if the Town will vote to close, subject to gates and bars, approximately 1,500 ft. of Thompson Road being the portion extending from the intersection with Clough Road northerly to the Barnstead Town line.

19. To see if the Town will vote to close, subject to gates and bars, approximately 1,500 ft. of Clark Street, being the portion extending from the west side of the outlet to the Forest B. Argue Memorial Swimming Pool to the intersection of Route 107.

20. To see if the Town will vote to enact certain ordinances to carry out the purposes of Chapter 48A of the New Hampshire Revised Statutes Annotated, the provisions of which were adopted under Article 10 of the warrant at the 1963 Town Meeting, said ordinance to be known as the Housing Ordinance, a copy of which is attached to and made a part of this warrant.

21. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1964 taxes, the same to be paid from that year's levy.

22. To see if the Town will vote to allow a building or buildings to be constructed on land now owned by the town in the vicinity of the old Suncook Valley Railroad

yard, said buildings to be used as a fire station and for activities of the Pittsfield Fire Department.

23. To see if the Town will vote to accept the following Trust Funds:

SELECTMEN'S REPORT

During 1963 a portion of River Road from the intersection of Leavitt Road to the vicinity of Our Lady of Lourdes Church was widened, improved and repaved with a new cable fence replacing the old iron pipe railing along the water's edge.

The relocation of Fairview Road was completed and an asphalt surface applied so that it is now a paved highway from South Main Street to the intersection with Rt. 107. The remaining unimproved section of New Orchard Road was graded and is now ready for asphalt surfacing which will provide a paved highway from Rt. 28 to the Epsom Town line. Both of these projects were done wholly with T.R.A. funds.

Additional improvements were made on the first floor of the Town Hall so that there are now three separate heated rooms available for use. At present, the classroom which was vacated by the school system is being used for meetings and activities of the Boy Scouts and Girl Scouts.

Final transfer of title to the Pittsfield Dam to the State of New Hampshire was accomplished early in the summer and the N. H. Water Resources Board immediately proceeded to make much needed repairs to the structures of the dam. It is expected that some additional repairing and improvement will be made in the near future as funds become available. The Town has leased the area between the dam and Main Street on the easterly side of the river as an off street parking facility. This lease is receivable at $1.00 per year so long as the area is not required by the State and the use of the area does not interfere with State activity at the dam.

Several meetings with officials of the State Department of Public Works and Highways were held to discuss details of the proposed Rt. 28 Bypass. In October the layout commission held a public meeting in the Town Hall which was fairly well attended. Few objections were voiced and those were mainly concerned with a specific section of the proposed layout and not against the project as a whole. Suggestions which were made by the Board of Selectmen and the Planning Board concerning the location of the main access road from the bypass

into the business section were studied but were not considered feasible, primarily because of cost and difficulty in obtaining proper alinement with existing streets. Progress on the project is being closely followed and at the present time design details are virtually complete. Purchase of right of way has already begun and it is expected the project will be advertised for bids very soon. Thus, the long talked about Rt. 28 Bypass is about to become a reality. Present expectations are that it will be opened to traffic during 1965.

The Trustees of Trust Funds, James McQuesten, clerk, have, during the year done considerable research on the origin of some of the older trust funds. As a result there are two such funds of general interest which may be appropriately brought to your attention at this time. One is the trust fund of $5,000, given to Dartmouth College by the late Georgia B. Carpenter as a memorial to her brother Frank James Drake. The income from this fund is to be used as a scholarship to deserving students of Dartmouth with preference given to boys from this town. This fund is held and administered by Dartmouth College. It is understod that a Pittsfield student is now receiving aid from this fund. Another fund, which is held by the Town, is the Moody-Kent Fund, principal $500. The income from this fund is available to provide a trophy known as "A Mark of Distinction" to be given annually to one boy and one girl in the Senior Class of Pittsfield High School. Rules for awarding these trophies are in existence and the awards will be made in accordance with recommendations by school district official.

Utilizing income from appropriate trust funds much improvement was made in the appearance of some of the cemeteries in rural sections. Much credit is due Mr. McQuesten for his efforts in effecting these improvements. Colonel J. Frank Drake has made an improvement in the appearance of the Quaker Cemetery on Sunset Hill at considerable expense to himself. If the recommended appropriation for 1964 is voted by the Town Meeting, part of the money will be used to supplement income from the trust funds to get our cemeteries in better condition. Then the income will be more nearly sufficient to maintain them.

During the year disastrous fires resulted in complete loss of two business establishments, the J. H. Danis and Son Market and Laundromat and Pittsfield Printing Co. Both of these businesses are now back in full operation.

Pittsfield Printing Co. is now located on Franklin St. and the new Danis Super Market and Coin-Op Laundry occupies a new modern building in the approximate location of the building which burned. The investment and effort necessary to reestablish these two businesses proves that the owners have faith in the future growth of Pittsfield. Let us all do our part to insure that their faith shall not have been misplaced.

Respectfully submitted,

RICHARD C. FOSS,
STEVEN A. DAVIS,
LEONARD M. GREER,

Selectmen.

REPORT OF THE TRUSTEES OF CARPENTER MEMORIAL LIBRARY 1963

The year 1963 was an interesting and active one at Carpenter Memorial Library. The annual figures reveal a decided increase in the children's book circulation and it is hoped that future years will see this interest in reading among our young people maintained.

Approximately 1500 volumes were borrowed from the Bookmobile on its regular visits, and 240 specially requested books were obtained from the State Library. The income from fines showed a substantial increase despite the 2-week remission period at the end of the year.

In March the Survey of the Governor's Committee for Better Libraries was published and indicated that the Carpenter Library is open to serve the public more hours than any other small town Library in the entire area surrounding Concord. During March a special exhibit of Art and Architecture books was on loan from the State Library.

In April, to celebrate National Library Week, visits were paid to the Library by the Chichester Brownie Troop and by Miss Sanborn's Kindergarten, each of which included a Story Hour. Mrs. Van Horn visited the three First Grade Classes to read stories and also addressed the Pittsfield Rotary Club. A book display was set up on Main Street in the window of Cole's Cleaners.

Mrs. Van Horn was appointed Permanent Librarian in June and an appeal for foreign language texts and dictionaries in July met with some response. We were glad to welcome back many of our summer visitors who enjoy a seasonal use of our facilities.

The new walk to the Jenkin's Room was completed in September, making access easier and the Trustees gratefully acknowledged Tom Dustin's kindness through the previous years in allowing the use of his driveway. Active use of the Jenkin's Room was made throughout the year by many groups and the Trustees feel that this room fills a genuine need in accommodating civic activities.

The Librarian attended an all-day meeting of the N. H. Library Association at Durham in October and a Workshop on Reference Services in Concord at the State Library in November.

To mark Children's Book Week Mrs. Van Horn visited all the elementary grades to give out posters and stickers and a special Story Hour was held at the Library. The Fifth Grade held a book-jacket contest, and their efforts, on display in the Library, attracted much attention. All through the year children's art work has been exhibited on the bulletin board and many thanks are due to the teachers for their cooperation.

Co-ordination at the junior high and high school level is improving and now that the high school has its own Library we look forward to increasing help and encouragement for our students.

Mrs. Dorothy Kelley has been of invaluable help in assisting (and substituting for) Mrs. Van Horn and the Trustees are most grateful for her services. They would also like to thank all those kind friends who help to augment the Library's collection and reference section by their gifts of books and magazines.

The total membership of the Library for 1963 stands at 462 adults and 859 juvenile.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinguishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

FIRE DEPARTMENT REPORT

There were 56 box alarms this year, including 13 still alarms and 2 false.

Engines #3 and #4 used over 80 hours to supply water for the town, during cleaning of aqueduct reservoir. Payment by the aqueduct Co. $684.00 for use of pumper and pump operators received by the town, however, $294.00 for pump operators was paid from Fire Dept. appropriation, making appropriation show an overage.

Fire Alarm cable (3½ miles) gave some trouble and was repaired or replaced.

Fire hydrants cleaned of snow three times during the winter by the firewards.

Monday evenings during the summer, No. 3 and No. 4 Companies practiced operation of pumps, laying hose, ladder work and use of fog nozzles.

Weekly Fire Alarm tests sounded at 12 noon every Saturday.

Fire Station checked at least once a day during the year.

Board of Firewards met every Friday Evening for radio check at 7:30 P. M. and check pumpers and equipment, etc.

In reporting a Fire — Call: 435-6522.

Respectfully submitted,

CLARENCE E. ROBIE,

REPORT OF PITTSFIELD PLANNING BOARD

The Planning Board has continued its studies with the Planning Consultant, Hans Klunder Associates of Hanover, N. H. Regular meetings and discussions have been held and a final report from the Consultant is being completed.

The Board met with the Selectmen and the State Highway concerning the Pittsfield By-Pass. After discussions with the Board, the State Highway has decided to take action to improve the entrance to Pittsfield from the By-Pass.

Article No..... of the Town Warrant pertaining to sub-division regulations was submitted by the Planning Board after a thorough study. Also Articles No. ..... were submitted by the Planning Board. All of these articles will save the Pittsfield taxpayer money.

A committee was appointed by the Selectmen at the recommendation of the Planning Board to study all aspects of zoning and to report these findings to the Planning Board. This committee is now functioning and when it has reported to the Board, there will be public hearings held to cover this subject completely.

The Planning Board is a group of local citizens who have studied our town from the inside out. It stands ready and willing to listen to recommendations and to help and advise any group or individual in Pittsfield.

B. REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Pittsfield:

I respectfully submit my third annual report as your Superintendent of Schools.

Staff

School opened in September 1963 with a staff of thirty-four teachers. There were 17 changes in personnel including two promotions. The turnover of teaching staff in the Pittsfield schools is most serious and should be corrected if possible. Most resignations occurred because of salaries. Teachers who left in every case improved their income considerably. Serious consideration should be given to the adoption of a single salary schedule that will be competitive with our New Hampshire and Massachusetts neighbors. To ignore this situation can only result in continued loss of experienced teachers which in turn will seriously affect the educational program of the school.

The changes in staff are as follows:

Mr. Winthrop Alden, Principal of High School, replaces Mr. Claude Jean who accepted a position in East Hampton, Massachusetts; Mrs. Phyllis Murdough, Principal of Grammar School, replaces Mrs. Rachel Sherburne who retired after 31 years of service; Mr. William Connelly, Teacher of Grade 5B; Mrs. Helen Sten, Teacher of Grade 5A; Mr. John Burbank, Librarian and English; Mr. Robert Daniels, Junior High School Mathematics; Mrs. Priscilla Edgar, English; Mr. Fred Graves, English; Mr. Robert Hopewell, Guidance; Miss Isabel Hunt, Business Education; Mr. William Johnstone, Science; Mr. Elbertus Kruiswyk, Music; Mrs. Marjorie Lawton, Social Studies; Mr. Thomas Lindsey, Science; Mr. Robert McCarthy, English; Mr. Richard Rouse, Social Studies; Miss Winona Walker, Special Education.

Problems Relative to Pittsfield High School Addition

The addition to Pittsfield High School, voted at a special meeting in October 1962, has created numerous problems for the School Board. The primary one being the fact that bids exceeded the amount of money appropriated. The total cost of the addition was $335,000.00 and the voters had voted only $290,000.00 in October. The

Board returned to the voters and requested an additional $45,000.00 before beginning the project and awarding the contract. This delay cost precious months of time resulting in a delay in beginning construction. The progress on the building has been slow and it is only within the past few weeks that things are beginning to look promising. The renovations to the original building are nearly completed with newly equipped Science laboratories, a Home Economic Lab, two general classrooms, and a library replacing the cafeteria, kitchen and auditorium-stage portions of the original high school building.

Being completed in the new construction are a full size gymnasium-auditorium, music room, two business education rooms, one business machine room, boys and girls shower and locker rooms, and new kitchen-cafeteria areas.

After completion of the project the plan is to move the fifth grade from the Grammar School and half the fourth to the high school building where they will be contained in a wing with the sixth grade classes. This change will not take place until next fall since the rooms at the Grammar School will have to be remodeled for the four classes who will be using that building.

This year can surely be remembered as a confusing one with construction going on and the buildings not being completed enough to accommodate the program adequately, but it is gratifying indeed, to see the citizens, students, and faculty bear with the situation and continue to support their school as we await the completion of the new facilities that will assist us in attaining a better education.

School for Exceptional Children

This is the first year Pittsfield children have had the advantage of a Special Class in their hometown. During the past two years our children have had to travel to Wolfeboro for the kind of education which cannot be provided in a regular classroom without taking a disproportionate amount of time from the regular course of study.

There are fourteen children in the Pittsfield class being held at the Legion Hall. Three of the children come over from Barnstead, and with interest being created in our neighboring towns it is hoped that we may soon have children enough to begin a second class in Pittsfield.

This year's class has been under the direction of Miss Winona Walker of Chichester who has very ably handled the training of these youngsters, most of whom transferred from two years at South Wolfeboro.

Curriculum — Teacher Consultant

Every school system must always be alert to changing times and changing conditions in education. Curriculum study and improvements are a constant responsibility if we are to provide quality instruction to all our pupils.

It is hoped that the districts will support this premise by electing to provide a Teacher Consultant to the Supervisory Union as requested in the School Warrant. This person would have a major responsibility to the Elementary Schools in the Union and would be a person with specific training and experience which will enable her, or him, to give helpful advice, counsel, and assistance to teachers, pupils and parents of a school system as a constructive means of improving the educational growth and development of children, solving pupil problems of retardation and maladjustment, adapting the program of studies to meet the needs of the children and the community, bringing resources outside of the school to classroom teachers, pupils and parents.

This request is made by the Supervisory Union School Board as a substitution to the State Board of Education's decision to tender the Union an Assistant Superintendent of Schools.

This will be explained further at the annual meeting.

Drake Field

This year we have nearly completed major repairs to Drake Field. The major repairs were the painting of the entire fence surrounding the field, repair of the tennis court fence, painting the grandstand and dressing rooms, and repairing the backstop in front of the grandstand.

The tasks to be completed are less expensive, like lighting the tennis courts, grading, and regular maintenance. During the past three years the major repairs have been done with the assistance and generous contributions of Colonel J. Frank Drake who, himself, has given $3,000.00 during the past two years.

It is our intent to maintain the field in its present condition now that all major defects have been corrected.

In closing, I wish to again thank the Pittsfield School Board, all school personnel and the citizens of Pittsfield for their cooperation and support of our schools.

Respectfully submitted,

HOWARD F. KELLEY,
Superintendent of Schools.

V. AUXILIARY REPORTS

A. REPORT OF THE HIGH SCHOOL PRINCIPAL

It is with pleasure that I submit this, my first annual report, as high school principal, to the members of the School Board, Superintendent of Schools and the citizens of the Town of Pittsfield.

Pittsfield High School opened in September with nine returning teachers, twelve new faculty members, a new Director of Guidance and a new Principal. Pupil enrollment continues to grow with 410 students entering in the Fall in grades 7 through 12. This is an increase of forty over the entering groups of 1962-63. In addition, our entering Freshman class numbered 74 making it one of the largest classes to ever enter this school.

In September it was necessary to use all of the classrooms in the high school every period of every day as well as use the space available under the Industrial Arts Building. As new rooms have become available from the construction, we have been able to use the two science laboratories, the new library, the new Home Economics room and one of the new general classrooms. This has enabled us to move the sixth grade from the Town Hall and to transfer a fifth grade from the Grammar School.

Despite the limitations placed on our program by the construction, particularly in the areas of Physical Education, interscholastic athletics and music, the faculty are cooperative and enthusiastic, bringing to their work a real interest and depth of knowledge. A special word should be said about the student body who have been most cooperative while working under somewhat awkward conditions.

We have been fortunate to add to the faculty a teacher for the Class for Exceptional Children and a teacher-librarian. The Librarian has accepted the whole responsibility for the organization and management of the new library and for the care and use of the Audio-Visual equipment. This is one more effective step in making the library better and the center of the school's educational program.

Carrying on the work that was begun by Mr. Jean, the faculty has been doing extensive study and revision of the various curricula. Most current literature decries

the inability of high school graduates to write with skill. A survey of Pittsfield high school graduates made last year pointed out that composition was one of the weakest areas in our program and the one which received the most criticism. As a result the school's English teachers have begun work on a six year comprehensive program for the teaching of written and oral composition. The work was begun in October under the direction of an instructor in composition from Boston University and at this point the material is in rough outline form.

In Social Studies, the staff is attempting to develop a program which will provide greater unity and less repetition in our six year history and social studies program. The emphasis in General Music, taught to junior high school students, has been modified from Music Appreciation to contain sections on musical history and some of the technical aspects of music. We have added to our Physical Education program units in physiology and health and the official Red Cross program. It is our hope that in time all students in this school will have received the complete first aid course.

With the support and encouragement of the School Board, the faculty is at work to form a chapter of the National Honor Society as a means of recognizing our students and as a method for encouraging a better performance among all students.

The foregoing indicate some of the activities which are in progress at the high school. We have not mentioned the many hours of planning, effort and work put forth by both students and faculty to make Pittsfield High School what it is. We believe this high school is a good school and a source of justifiable pride to this community. We intend, through the cooperative efforts of students, staff and community, to make it even better.

Respectfully submitted,

WINTHROP S. ALDEN,
Principal.

B. REPORT OF GRAMMAR SCHOOL PRINCIPAL

The Grammar School has undergone some physical changes in the past year with more to come in the near future. Grade 2A came from the Town Hall to the large downstairs room. Grade 5B was housed temporarily in the former kitchen on the second floor. In October it moved to permanent quarters in the elementary section of the High School. With the completion of more rooms at the High School 5A has moved. Later this year, walls between the two small rooms on the first and second floors will be removed making four large rooms to accommodate Grades 2A, 3A, 3B, and 4A when school starts in September 1964.

Phonetic Keys to Reading was introduced in the fourth grades to give further practice in understanding word, sentence and story structure and meaning. This series has been in use in Grades 1-3, in addition to basic readers, for a year with good results.

Growth in Arithmetic, Discovery Edition, being used in all grades has been found to give a good foundation in fundamentals and concepts of modern mathematics.

The teachers of the Grammar School join me in thanking the parents and friends of our school for their interest and cooperation in the past and will work diligently for continued progress in all phases of their children's growth.

Respectfully submitted,

PHYLLIS MURDOUGH,
Principal.

C. REPORT OF MEMORIAL SCHOOL PRINCIPAL

Our school now houses three first grades and one section of the second grade. Total enrollment, so far this year, has reached 106 and likely will be more before the school year ends. Next year promises to yield an even larger entering first grade.

We are most fortunate in being able to carry on a continuing curriculum improvement program, since our same faculty has worked together very closely for a number of years. The new approach to mathematics and reading skills has noticeably altered our procedures. We are using educational T.V. this year for the first time in grades one and two.

Our faculty has completed courses recently from N. H. University in Modern Mathematics and Music for the Elementary Schools, and from Plymouth State College another course in Art for Elementary Schools. The two latter courses are a great help and inspiration to each of us.

We should like to take this opportunity to extend our appreciation to the School Board and Supt. Kelley for making our school life so pleasant.

Respectfully submitted,

HARRIET AMES,
Principal.

Our school health program continues about the same. The general helath of the children seems very good. Our greatest need is dental work, and we do see that a great deal more is being done, since we have two dentists. We

do appreciate the help given us by the local Salvation Army fund, Rotary Club and the State, also the help given us by the local Lions Club and the State for children needing glasses. These all help and do a great deal for our children.

We wish to thank the parents, teachers, school officials, and our local organizations for their kind cooperation with the School Health Program.

Respectfully submitted,

DORIS H. DROLET, R. N.,

School Nurse.

F. DRAKE MEMORIAL FIELD PLAYGROUND REPORT

The emphasis in 1963 was placed upon the younger children, those whose ages range from three to around twelve. It seems to me that this is the age group who are usually the onlookers and rarely the doers.

I was ably assisted by Marcia Perrino of Pittsfield. Together we provided the children with opportunities in arts and crafts. This area is interesting and stimulates creativity for even the youngest. The program was open to everyone who showed an interest. Our largest craft session attracted 95.

Areas that contributed to physical fitness were not overlooked. These areas included peggy ball, tennis, softball, baseball, basketball and badminton. We concentrated on the younger children because, as previously mentioned, they are usually left out.

Mr. George Liouzis did his usual fine job in working with the baseball program. Mr. Liouzis' program kept about 75 boys busy with wholesome and enjoyable exercise.

It is my opinion that the town of Pittsfield would benefit from two programs. One for the younger children who are not athletically inclined or baseball-minded, and a baseball program such as George Liouzis ran last summer.

Respectfully submitted,

RAYMOND L'HEUREUX,
Playground Director.

VI. WARRANT (Tentative)
